## Reaching the World Through Brazil

“While unbelief sees the difficulties, faith sees God between itself and them.”

Hudson Taylor

Dear Praying Friends,

Nov. 2008

*“He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God;”* Romans 4:20

Here we are standing at the threshold of a step of faith. Please pray for us. We are making decisions this very week on things concerning our departure to Brazil. There are many things that need to be done in the next few months, but we have a few major decisions that need to be made right away.

We have already begun work on passports and visas. This is just the beginning of paperwork to be done. There are other documents that need cared for also. Please pray with us that the Lord will help things move smoothly and He will give us favor with people in customs and with others who could expedite the process of our moving to Brazil.

We have had some very good meetings this month. The Lord has blessed and we have a few more churches supporting us now. Please continue to pray that God would give us the support needed before we leave in February. We praise the Lord for the wonderful blessings He has brought our way during this year and a half of deputation.

There are many things we could tell you about, but we must continue to ask you to pray. We believe prayer is the essential ingredient in this work the Lord has called us to. Isa 45:20 –21 says, *“Assemble yourselves and come; draw near together, ye that are escaped of the nations: they have no knowledge that set up the wood of their graven image, and pray unto a god that cannot save. Tell ye, and bring them near; yea, let them take counsel together: who hath declared this from ancient time? who hath told it from that time? have not I the LORD? and there is no God else beside me; a just God and a Saviour; there is none beside me.”*

Only because of one thing has the Lord made it possible for us to even think about leaving in February. That one thing is the prayers of God’s people. Thank you very much for lifting us up before the Lord in prayer.

Our children are healthy once again; praise the Lord! God has been so good to give me a wife and family that love the Lord. Without their help and cooperation our pre-field ministry would be much more difficult and tiresome. *“Let everything that hath breath praise the Lord.”*
