

The Tylers

Reaching the World Through Brazil

Dec. 2008

Dear Supporters and Friends,

"If a commission by an earthly king is considered a honor, how can a commission by a Heavenly King be considered a sacrifice?"

David Livingston

As I look back on 2008 I must think about what the Lord has done. Many wonderful things have happened during this year to bring us closer to the Lord and closer to the field where He has called us.

The majority of our deputation has taken place during this year. We are excited about getting to the field. We had been praying about leaving in February, but the Lord has led us to wait until the beginning of April. This has allowed us to schedule a few more meetings and make plans in regard to shipping a container, getting airline tickets, packing, deciding what goes and what stays, visas, other documentation, and many other things. Pray that the Lord will give us wisdom in all of this.

Through 2008 the Lord has given us many meetings. We cannot thank Him enough for this. It is also necessary that we thank you for praying that we would get meetings. As for these next few months we have prayed that the Lord would give us meetings during this time in which we have delayed our departure. He has proven Himself faithful in this matter also. We have meetings in both February and one in March. Keep praying that the Lord will give us meetings for the time we remain in the US.

As far as the ministry God has given us, we have seen many wonderful things in 2008. I was able to help several pastors who were starting churches. The website has proved to be a very helpful tool and we have poured many weeks into translation and editing for that. God has put us in contact with several missionaries, national pastors, and other Brazilians who have helped us in many different ways.

John and Julie Kokenzie have been a great blessing to us as we press together in this ministry. They are expecting another child in April. Please pray that the Lord would give them wisdom about departing for Brazil. Timing is essential because both of their children were born prematurely. The Lord is on the throne and will work all things out, but please continue to pray. It seems as though at this particular time, we will not be arriving in Brazil together.

Thank you for your prayers and your faithful support. God is working and we can see His hand. May this coming year bring much fruit to abound to your account for your prayers and involvement in our ministry.

Reaching the world through Brazil,

Jeremy Tyler
