Following Paul's Missionary Pattern (Acts 14:21-23)

1. Evangelizing the Lost
2. Establishing Churches
3. Edifying the Believers
4. Entrusting Them to the Lord

Dear Pastors, Churches, and Friends,

April 2010

This is a month of praise! The Lord has done so many wonderful things for us in the last month that we must praise Him for His goodness and mercy toward us.

Language School

Amanda just finished language school! I can hardly believe that we have been here over a year. We arrived April 1st, 2009. Now I can say that Amanda can speak Portuguese. She has worked very hard and her teachers have bragged on her faithfulness, hard work, and her ability in learning the language. She has studied hard and stayed up late many nights working on her assignments. Thank you for all of those who prayed for her. She will participate in a graduation ceremony on the 18th of June.

Amazon Trip

Progress is taking place as we work with the Brazilian government agency that restricts and controls access to the Indian tribes. Praise the Lord, He is answering prayers. We are getting shots, doctors' notices, and other documentation together in the next few weeks for authorization to enter into the tribes. Please pray that the Lord would continue to open doors and supply the necessary things for the trip. We need to put together thousands of small medical packets which will each include a piece of Gospel literature. If you are interested in getting involved and helping with this trip, please let me know.

The trip will take place from August 12-25. Please continue to pray for supplies, safety on the trip, and open doors for the Gospel.

The Lord has allowed us to improve this website in such a way that it will be much more effective. We have added much content, including video and audio in Portuguese. Very soon we will be adding more languages to our website. There is an opportunity to add a Gospel presentation in nearly 20 more languages. Pray this will happen soon. The FIFA World Cup in South Africa is coming up in just over a month, and 50,000 tracts with this website on them will be distributed at the events. Please pray that the Lord would use this to bring souls to Christ.

Once again we are getting e-mails from people who are desperate and need the Lord. Just this past week I answered an e-mail from a man who wants freedom from his adultery and drinking. Praise the Lord! We have the solution that he needs.

Though we do not believe it is the Lord's will for us to stay in São Paulo, many have asked us to stay. There is so much to be done and millions of people to be reached. May the Lord send more laborers into His harvest.

How much is too much...starting churches, radio, a publishing ministry with a monthly paper and books to be published, translating materials, recording lectures to put online, the Gospel in more than 30 languages, helping and encouraging Brazilians all over the world, training men to send throughout the world with the Gospel message? *"The Lord is not slack concerning his promise..."* so why should we be slack concerning the work He has entrusted us with?
