Following Paul's Missionary Pattern (Acts 14:21-23)

1. Evangelizing the Lost
2. Establishing Churches
3. Edifying the Believers
4. Entrusting Them to the Lord

Dear Pastors, Churches, and Friends,

May 2010

Greetings in the name of our wonderful Lord and Savior. We are blessed to be able to serve such a wonderful Lord. Psalm 96 reminds us that we must tell all nations of the glory of our great God. And why not? It is the least we can do for Him who gave His life for us.

I would like to ask for you to pray earnestly during this next month. We have several projects that need immediate prayer. Here is a list of the most important prayer requests we have...

- **50,000 Portuguese tracts being handed out at the World Cup in South Africa**
- Many Brazilians will attend this soccer tournament. Wings Bearing Precious Seed is heading up a group that will be distributing these tracts. Our gospel website is on each tract giving them an opportunity to contact us and to find out more about how they can know God.
- **Medical preparations for the upcoming Amazon trip**
- Though we would like to say that everything has gone smoothly during the preparation for the Amazon trip, there are a few things still pending. I am trying to get results on some blood work I had done and the doctor is on vacation for the entire month of June. We need to get this medical authorization in order to get approval for the trip. All of this must be done in a timely fashion.
- **God's favor in reaching the unreached**
- It is our desire to gain access into a very remote region in the Amazon to an unreached tribe. Because of the hostility in the area, we have been informed that we must take two boats in case one breaks down. This of course has added considerably to the cost of the trip. If we are not able to rent another boat, we will be greatly restricted on what we are able to do in the region where we will be conducting the medical clinics. Pray that God would supply the funds or miraculously work out the situation so that we can get to the unreached tribe with the Gospel of Christ.
- **Crown College New Testament Church Pioneers**
- We have been given the opportunity to host two girls from Crown College this summer. They will be arriving June 2nd and leaving at the end of July. They will be helping several missionaries conduct Vacation Bible Schools, Valentines Banquets, Bible Clubs, as well as getting involved in some manual labor type things. Pray that the Lord would burden their hearts while they are here.
- **Preaching during the month of June**
- Several pastors have asked me to preach in their churches during the month of June. It is always exciting to see what God is doing in these churches. I will be preaching in a mission conference at a national pastor's church in our area. Pray that the Lord would do something great in this church.

Thank you once again for your prayers and support!

Reaching the world through Brazil,

Jeremy Tyler
