Dear Friends,

March 2011

We apologize to many of you who have not received any of our prayer letters yet this year. Due to an oversight, the letters were not sent out to all the churches. We corrected this issue as soon as we became aware of it. If you did not receive one of our prayer letters and you would like to receive it, just visit www.braziltotheuttermost.com and click on the "Prayer Letters" tab in the left column.

I believe with all of my heart that we must press on and do all we can in the little time we have left here on this earth. Christ could return at any time as He has promised, but what will we have accomplished by His return. Will we have something to offer Him, or will all our efforts be given to living a more comfortable life here on this earth?

Last week I responded to an e-mail from a man who wanted to add me to his mailing list. He has a blog and is using this blog to try and help hurting people. Thinking he was in a Pentecostal church, I asked him to give me a testimony of his salvation. He responded telling me that salvation was by faith, works, and enduring to the end. After taking several hours to thoroughly take him through the Bible and teach salvation by faith alone in Jesus Christ, here is the answer I received...

"Pastor, you're right, I analyze the scriptures, I talked to my dad and I used the logic. What you wrote is right, sorry Pastor my mistake. I learned something new with you, thank you."

Praise the Lord, we are beginning to see more fruit from our online ministries. We are praying that the Lord will send us more laborers to help in this area. We are working on three distinct websites in preparation for our work planting churches in the northwest section of Brazil. One website is a Gospel website, another is a website trying to connect and encourage churches, and the last website is a site that will include hundreds and some day thousands of resources for the pastor, Bible student, Sunday School teacher and layman.

Included in this last website will be a quarterly first class publication. Lord willing, we will be sending out the first issue of this publication next week. Please pray that the Lord will open doors for us to encourage churches all over Brazil to reach out to God in this desperate world in which we live.

On April 14th-16th I will be teaching a class in a local Bible institute. They have asked me to teach on a Biblical philosophy of music, as well as help them with some practical areas such as leading congregational singing or helping in a children's class with the music.

Sincerely,

Jeremy Tyler
