"He is able to save them to the uttermost" Hebrews 7:25

Dear Prayer Partners,

September 2011

"GOD IS ABLE"

This exact phrase appears five times in our English Bible. Every time it is used, it refers to something that seems impossible for man to accomplish by himself. Paul uses it when referring to Israel, servants, and giving. Jesus also used this phrase saying that he could raise up children to Abraham from stones. Yet, in the context of the entire Bible, we know that there is no limit to the power of God. God *is* able to do what seems impossible to us.

As I looked at this phrase, I realized that the work God has called us to is impossible for us to accomplish. We do not have the ability, knowledge, resources, faith, strength, or wisdom to accomplish all that God would have us do. However, God is able to supply all of these things necessary to complete in us what He has already begun.

During the past few weeks, the Lord has been dealing heavily with me about reaching the unreached. This is not a change from what we have planned, but it is a renewed and increased burden for the people around the world who have never heard a clear presentation of the Gospel.

In the past few months, a wonderful opportunity has risen that would allow us to reach one of these people groups. We need your prayers in *this* matter! We are working with a few Brazilians to begin a very long term project which would take no less than ten years to complete. This project involves getting to very remote places where never the name of Jesus has been heard.

The length of the project is due to the fact that the people have no written language and it would require years of work to develop the alphabet, the grammar, and the necessary language tools in order to translate the Bible into their language. Though we want these souls to be saved, we greatly desire to go far beyond that in establishing churches and teaching them until they can help us reach the regions beyond them.

What can you do about this? PRAY that God will supply the necessary resources and laborers for the project. PRAY about getting personally involved.
