"He is able to save them to the uttermost" Hebrews 7:25

Dear Prayer Partners,

August 2013

When we arrived here in the city of Ouro Preto do Oeste in June of last year, our main goal was to start several Bible studies around town. We desired to develop these Bible studies to the point that a church would begin out of them. The Lord has blessed and people have grown in their understanding of Biblical truths.

Right now we are holding weekly Bible studies on both Mondays and Wednesdays. We see progress in individual lives, but at the same time we see others who are not progressing though they continue to attend.

This past Wednesday we reviewed some of the lessons we have taught. This gave an opportunity for people to tell us what they have learned and how they have applied it in their lives. It was interesting to listen and learn what people are thinking. This Bible study is held in the home of two lawyers. We also have another lawyer who attends the study. They are all people who consider what is said and chew on it throughout the week.

Though we see progress, we also still see that there is influence from the outside in their lives. Their questions reveal what they have learned and how they understand the Bible now. Much of what they have been taught in the past is common culture for all of Brazil. Most teach that Jesus is the way of salvation, but you must follow the teachings of your religion in order to be saved. Please continue to pray for all the people in these Bible studies.

We continue to see progress in other areas of the ministry here as well. The meeting in Porto Velho at the end of July was a great encouragement to us. We really enjoyed meeting Pastor Adonias and his family. They were a great blessing to us while we were there. On that trip, we also had the opportunity to meet the Mantonyas who have been missionaries in Brazil for many years.

Our car, though it is very comfortable, has proven to not be a good vehicle for ministry in this area of the country. Lord willing, we will be exchanging our vehicle in the very near future for something a little larger and sturdier that will expand our outreach possibilities and keep our family safe. Please pray that the Lord will lead us to a vehicle that will run well and not require a lot of maintenance.

Thank you again for your faithful prayers and support.
