## The Tyler Family

*"He is able to save them to the uttermost" Hebrews 7:25*

Dear Prayer Partners,

October 2013

*"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth."*

Acts 1:8

Over the past few months I have been reflecting on our goals and accomplishments here in Brazil. The Great Commission gives us four specific orders... go, preach, baptize and teach. I do not think we can necessarily divide the time we have each day and baptize for a fourth of that time. Neither can we do that with the other three. However, we must consider these as sequential events with the last one never ending.

This past month we have been with several other pastors. Bro. Tom Brewer asked us to come help with the music for the inauguration of the new church building in Itapuã do Oeste. Pastor Ailton asked us to preach at the church in Machadinho do Oeste this month also. Over the past year and a half we have developed many friendships in these churches and had a joyful reunion with them. Though we do see some indifference on some faces, it is a joy to see when people understand what is being said and make a decision to act upon what they hear. In Itapuã, a young lady made a profession of faith after one of the services. Others also have commented in the past weeks that they have been moved by the preaching of God's Word. Praise the Lord!

We must also praise the Lord that we were able to get a different vehicle this past month. The Lord led us to a specific vehicle. It is a small SUV 4x4 that will allow us to reach out into a few more remote areas that we have been praying about.

Lord willing, our family will be taking a trip in November to visit a pastor friend in a more remote area. There is a special people group that we want to reach in that area and are praying about how to go about this task. Please pray the Lord will give us wisdom in the matter. With opportunities such as this, as well as the upcoming World Cup, the Lord has brought the world to our doorstep.

Continue to pray for the Indians and the remote fishing villages here in Brazil. Though it has been a while since I took a trip into the jungle, there are several opportunities for trips coming up within the next year. The uttermost parts of Brazil are not far from us, but are very difficult areas to get into. Pray earnestly that the Lord would open doors of entry into the remote uncivilized and un-evangelized Indian tribes. We are working with Brazilian missionaries and pastors to reach out into these areas.

Sometimes we feel as though we are thousands of miles away. At other times, technology makes it seem as though we are very close. Yet, your prayers have reached to Heaven and God is right here with us! Please keep praying for us and for the furtherance of the Gospel here in Brazil.

Reaching the World through Brazil,

It is not often we get visitors, so come pay us a visit anytime!
