## The Tyler Family

*"He is able to save them to the uttermost" Hebrews 7:25*

Dear Prayer Partners,

November 2013

*"Prove me now... saith the LORD of hosts, if I will not open you the windows of heaven..." Malachi 3:10*

*"In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day... the windows of heaven were opened." Genesis 8:6*

You may not consider this the exact interpretation of the above passages, but I must say that God has opened windows of opportunity from Heaven for us. We are excited about what God is doing. Things we have been praying about for months or years are starting to take shape.

I wish I had the time, space, and freedom to tell you everything. I will try to give more details on our blog at [www.braziltotheuttermost.com](http://www.braziltotheuttermost.com). In this update, it would be best to just summarize. We know many of you who read these letters faithfully will want to know more and will check the blog to find more details.

We recently returned from our first trip in our new vehicle! Praise the Lord, everything went well. We had no trouble at all with the car even with very rough roads. Our trip was about 1400 miles round-trip. It was the longest trip we have ever attempted in a car in Brazil. The Lord watched over us and brought us back safely.

The first leg of our trip took us to Rio Branco, Acre, where we visited Stephen Doolittle and his family. We enjoyed good fellowship and were able to see what God is doing in Rio Branco.

Brasília, another city in Acre was our next destination. In our last letter I mentioned a possibility to reach a specific group of people in this area. Since the devastating earthquake in Haiti, Brazil has opened its doors to the Haitian people. Thousands have come to Brazil over the past few years. About 50 Haitians cross the border from Bolivia into Brazil every day. God has given us a window of opportunity to reach these people by printing tracts and putting them into the hands of many of them. We must, however, act quickly while the door is open. We are working with a local church in Brasília. God has brought this unique group of people thousands of miles from their home and placed them almost on the doorstep of this church!!!

This month, the Lord has also moved things forward on several other projects...

- Plans are being made for me to take a trip into the jungle with the men from the church in Brasília. This is another exciting project to help mobilize a church into hands on involvement in the great commission.
- Over 270 editions of a strong fundamental paper have been digitalized and made available for download.
- We have begun helping a Brazilian Jewish mission promote their work and reach Jews around the country.
- Quite a bit of progress has been made on literature websites both in development and in adding content.
- New contacts and more research have given better understanding about Indian tribes in our area.

Thank you again for your prayers! Please keep praying!
