

# Missionaries to Brazil

## The Tyler Family

*"He is able to save them to the uttermost" Hebrews 7:25*

Dear Prayer Partners,

February 2014

Another month has passed and we are pressing on for the Lord here in Brazil. Though I cannot tell you everything I would like to in this letter, I will try to keep our ministry blog updated so you can know what is happening. Just check [www.brazilltotheuttermost.com](http://www.brazilltotheuttermost.com) to get the latest update on the various events and happenings.

This past month has been an exciting month for our family. Josiah, ten years old, just finished reading through his Bible. Jonathan had his ninth birthday. Judson, who is six, followed the Lord in baptism this last Sunday. It is a blessing to watch your children grow up physically and spiritually. May God give us wisdom as we endeavor to raise them for His glory.

### Prayer Request

It would be a great blessing to me if you would just take a moment to pray for us this week. I will be picking up a Brazilian missionary at the airport. We are traveling to some of the Indian reservation areas in our state. Our goal is to learn what tribes are being worked with and where there are open doors for a ministry in the future. Next week I will try to update the blog with information about the trip so that you can know how your prayers were answered.

Here is a breakdown of the schedule and how you can help us pray...

- ❖ We will be traveling for about 8 hours on Thursday (Feb. 20).
- ❖ There is a shortage of gas in our state. Flooding has prevented stations from getting the fuel. Some say gas could go up very high in the next few days.
- ❖ We plan to meet a man tomorrow night who (if his schedule permits) may be able to show us around to some of the nearby Indian villages and give us helpful information.
- ❖ On Friday (Feb. 21), we will spend most of our daylight hours researching, visiting tribes, and getting to know the cities in the area before driving north to an Indian school.
- ❖ On Saturday (Feb. 22), we will be speaking to a group of 50 Indians from over 12 different tribes. These are all students at a Christian school. There are a few other cities we would like to stop at on the return trip as time allows.
- ❖ On Sunday (Feb. 23), we will be back home in our own service, but then heading to a nearby city for a service in the evening.
- ❖ On Monday (Feb. 24), we have been invited by a New Tribes missionary to spend the day with the Indians in the villages he works with.

Reaching the World through Brazil,

**"Beware in your prayer, above everything, of limiting God, not only by unbelief, but by fancying that you know what He can do."**
