## The Tyler Family

*"He is able to save them to the uttermost" Hebrews 7:25*

Dear Prayer Partners,

March 2014

We want to thank each and every one of you for your prayers. The Lord has answered prayers! Last month I mentioned details of the trip I was taking around the state. Here is an update on those requests and a few other answered prayers.

### ANSWERED PRAYER

1. The Lord gave us safety on the roads. We were forced to drive at night in the rain on roads filled with pot holes; yet, the Lord gave us a good trip and kept the vehicle running well.
2. Gas did go up about \$0.40 a gallon, but there was not a shortage as had been expected.
3. We met our contact in Vilhena and were able to gain some much needed information from him. He introduced us to a few other people who gave us even more information about the region and the Indian tribes. One of these new contacts took us into a small Indian tribe of about 68 people. These people have no Gospel witness in their village presently.
4. At the Indian school, we were able to gain more needed information about tribes in that region of the state as well as visit with faculty and students for a few hours. More contacts were made and friendships developed out of all this.
5. We were able to visit four other Indian villages belonging to two different tribes in the Ji-Paraná area. Those particular areas have had missionaries for forty years and now there are indigenous churches in the tribes.
6. Two neighbor boys went to camp with Josiah. One of the boys, Gabriel, trusted Christ as his Savior while he was at camp. Please pray about his baptism.

### PRAYER REQUESTS

1. This coming Sunday, our entire family will be going into an Indian tribe. This will be a first for Amanda and the boys. We will be visiting their indigenous church and learning more about what God is doing among the Indians here in Brazil.
2. The Monday after Easter I will be taking another trip. This one will be into the jungle in a nearby state. I will be in the jungle for roughly a week. The purpose of this trip is to again see the work that other missionaries are doing. We hope to get more personally involved over the next few years.
3. Pray specifically for the salvation of two young men traveling from the Middle East to Brazil this weekend. God has given us another opportunity to help reach the world through Brazil by reaching out to these men with the love of Christ.

We wanted to once again thank every church and individual that has had a part in our ministry by giving and praying. The Lord has been good to us and we praise Him for the faithfulness of His people. It is always a blessing to hear from people who are praying for us.

Thank you for letting us know.

Reaching the World through Brazil,
