## The Tyler Family

*"He is able to save them to the uttermost" Hebrews 7:25*

Dear Prayer Partners,

August 2014

We want to thank all of you for your prayers for our family. After almost three months of being sick, Amanda is now strong and doing much better.

In July I was able to participate in a conference in the capital. Between other responsibilities, I was able to go to the conference for two full days. Bro. David Teis from Las Vegas spoke at the conference. It was a great opportunity to see some of the pastors from the area and from other parts of Brazil.

The return trip was slow because my fuel pump was acting up, but the Lord prepared the way for that. We came back during the night when there was no traffic and the car worked just fine until I pulled in the driveway and parked it at 4am. I was not able to start it for two days after that. Finally, I got it to the mechanic to change out the fuel pump. Praise the Lord we did not get stuck on the highway!

Our landlady came to our house on Sunday morning to be in our church service. We have been praying for her and dealing with her for a long time now. Last month I talked to her for several hours and was able to share the Gospel with her once again. She is a nice lady, but she needs to be saved.

Every family, including our family, deals with sin, sickness, death, and other circumstances that come our way. We live in a world full of hurting people. Our Bible studies and church have been very low recently as our regulars have been sick or dealing with issues that have disrupted or cancelled the meetings. We would like to start a Sunday evening meeting, but we will need a location specifically for that. Please help us pray about this.

We are beginning to plan a short furlough for the middle of 2015. In the next few months we will be scheduling some meetings and planning a few family events. If you are interested in us coming by next year, please let us know and we will get back in touch about specific dates.

The Kokenzies will be returning to retake the work in the beginning of the year. This will free us up to be able to return to the US from April to August. Please pray that God will give us wisdom as we plan and prepare for the future.
