The Tyler Family

"He is able to save them to the uttermost" Hebrews 7:25

Dear Prayer Partners,

January 2015

As we begin this new year, we want to let you know of what God is doing. This year started off in a great way! We have already had thirty-one first time visitors during the services on the first three Sundays. Several of them said they really enjoyed our services. Some of those have returned several times and invited others to attend with them also. On Sunday the 18th we had forty people in our evening service. Every chair available had someone in it! Amanda also took a few of the smaller ones in the back. It was a great opportunity to share the Gospel with many and we are praying that God will work in hearts and bring them to salvation.

The Kokenzie family is back also! Over the next few months we will be handing things back over to them. With the Lord's blessing, things will move forward in the church and a good core group will be established. Please pray for the Kokenzie family during this transition.

OPPORTUNITIES

We have recently been invited to participate in a conference which will take place inside the Indian tribe closest to us. They are celebrating 50 years since the first missionary arrived in their village! God has done a wonderful work in this tribe. Though it took more than 40 years for the church there to develop, it is now booming with nearly 200 in their Sunday services. During conferences, they have had over 1,000 Indians present. We can only praise the Lord for these results and pray that God would allow this to happen in other places around the country also. The Bible is being translated in their language, pastors have been trained and ordained, and missionaries are being prepared to send out to other tribes with the good news of salvation.

FURLOUGH PREPARATIONS

Our furlough plans are coming together. We have made plans to fly out on the 1st of April (no fooling). That will be exactly six years from the day we first arrived in Brazil! We are all looking forward to being in the US for the summer months and spending time with family, friends, and supporters.

Our schedule is filling up very quickly. We have a few spots left to fill. If you would like for us to come by your church, please let us know and we will try to work things out. Our time is very limited, yet it seems as though the Lord is allowing everything to work out well.
