

The Tyler Family

Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

March-April 2015

Greetings from Bonners Ferry, ID! We have survived about 56 hours of travel to the US, then after just over a week we have travelled another 30 hours in the car to get out here to Idaho. We have already driven over 3,000 miles. God has been good to us and given us excellent travels. With only a few minor delays, everything has gone as planned.

This has been one of the smoothest transitions for us. The Lord provided a safe place for our belongings. We were also able to work out the details on painting the house before we left. Everything fell into place with just a few adjustments. Praise the Lord! We now have very little to worry about while we are traveling.

We have been in touch with the Kokenzies and some of the people in the church. Things seem to be going well since we left. Please pray for the church in Ouro Preto do Oeste that God would help the people attending to grow in faith and in their knowledge of the Lord Jesus Christ. Also pray that more people would be saved.

Though we have only been back for about two weeks, we have already been in six different churches. The Lord has been good in allowing us to schedule most of our supporting churches in the short amount of time we are back. We will also be in some churches we have never been in before.

During our first couple of weeks here, we have spent some valuable time with family. The boys have enjoyed visiting with cousins they have not seen in more than three years. They also have had a good time with Amanda's parents.

We are looking forward to being with many of you over the next few months! Please pray for us as we travel. The boys have done very well in the car, but I am sure we will all be ready for a break very soon.

Reaching the World through Brazil,

A handwritten signature in black ink that reads "Jeremy Tyler".

REMINDER: Our church has asked that checks be made out to Temple Baptist Church and that you place our name in the memo. That will help us to get support more easily.
