

The Tyler Family

Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

November-December 2015

So much is going on in God's work around the world that it is impossible to stay connected with every aspect of it. Most of the time we put more effort into finding out what is going on in the news and we give little attention to what God is doing in the world. Regardless of our interest, God is still at work, lives are being changed, and His return is drawing near.

There are opportunities all around us if we would just care to get involved. The harvest is still plenteous and the laborers are still few. Are you praying for God to send laborers? Are you willing to be a laborer? Are you willing to be sent?

A few weeks ago I received a message from a friend in India letting me know of a work that is starting just a few hours from us. We had no idea that God had stirred up a family to reach their community. A friend of ours started a Bible club with children and her parents also started a Bible study with a few people in the community. By the time we found out, they had already rented a building in which to hold their Bible studies. There is another good church closer to them, but the pastor is already stretched a bit thin. He will be trying to help get this work going, but is at least an hour away from them. Lord willing, we will begin helping them early this next year. We have already taken Bibles up there and will be helping with a few other resources. Please pray that God would send a pastor or a missionary for these people.

Here in our own city, Vilhena, we are looking for new opportunities to reach out. Numbers have died down just a little, but we have seen God at work in the lives of those who are attending the services. God has put us in contact with several people in our city who are related to friends of ours around the country. Please pray for the Gospel to change lives here in Vilhena. Next week we will baptize three people. Some of them are facing a little opposition from family members, but they are determined to follow the Lord with their lives.

We have also been making progress on a few other projects. I have been building and developing a Spanish Bible website. Bibles have already been sold to people from various countries around the world. We soon will have the text available to read online in a simple interactive format. It takes quite a bit of time to build pages and modules for every book and chapter of the Bible. Yet, we are making progress. Lord willing by the end of the year a good portion, if not all, of the Bible will be available for reading online.

God has opened other doors for us also in different languages. I have been in contact with a missionary in Italy and will be helping him reach out into his community through the internet. We have a Gospel presentation in at least 16 different languages. In seven of these languages, the Lord has allowed us to partner with other missionaries in expanding their influence and providing other resources in those languages. Please keep praying! The seed is being sown all over the world. We can take the Gospel to them, but only the Holy Spirit can do the necessary work in their hearts.

Reaching the World through Brazil,

A handwritten signature in black ink that reads "Jeremy Tyler".

Thank you for your faithful prayers and support! May the Lord give you a wonderful Christmas season filled with joy. May you remember the gift that God gave us through Jesus Christ. Merry Christmas!
