Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

August 2016

The past month has been filled with many blessings from the Lord. Many times we fail to see the blessings or take time to thank the Lord for them. In reflecting on what God has done in the past month, we cannot help but praise Him for His goodness. He has answered many prayers for us personally as well as prayers for the ministry. We serve a wonderful God that is aware of every minute detail in our lives!

"Are not two sparrows sold for a farthing? and one of them shall not fall on the ground without your Father. But the very hairs of your head are all numbered. Fear ye not therefore, ye are of more value than many sparrows."
Matthew 10:29-31

Our work here in Vilhena continues growing. The exciting thing is that many of the church people are working on those around them. Many have invited their relatives and are preaching the Gospel to them. The numbers have been up, but the space is getting tight. The first two offers we put in on the land were rejected. Having prayed about the matter we decided to purchase a much smaller lot on a street that is not quite as prominent. This allowed us to completely pay off the lot and have some extra to begin building. The lot is 65ft. by 39ft..

Please pray for those that need to take the next step in their walk with God. We have several people who need to be baptized. Some have not yet made public their faith in Christ. Others are struggling with deceptions and lies that have been fed to them through other churches. Please pray that September would be a month of reaping the seed that has been sown. Pray for souls to be saved! Pray that God be glorified!

The first Sunday of August we traveled with another family in our church to the city of Pimenta Bueno. As mentioned in our previous letter, we are trying to encourage the pastor and his family to press on for Christ even in the midst of difficulties. We had a great time of fellowship after the service and were able to talk about what God is doing in their city.

From that church, we traveled another hour to conduct a service in the city of São Felipe where we are helping plant a new church. Two lay couples which were previously driving an hour to go to church have requested our help in starting a church in their city. We have committed to traveling up there once a month. This month there were over 30 people in the service. Several have been saved and others have raised their hands saying they would like to be saved. Visits will be made in each of their homes. God is blessing in a great way there in this new work!

A little further beyond the reach of our present labor force are three other cities needing the Gospel. Two of them have families asking for a church to be planted near them. The third is another church like the one in Pimenta Bueno that was started years ago but are down to just a handful of people who need help.

Our team of laborers will be spread thin over the next six months as several will be traveling to see family, reporting to churches, or taking care of health issues. This will provide opportunities for some of our lay people to step up and serve the Lord.

**Do you know the Lord of the harvest?
If so, please put in a request for more laborers!
