

The Tyler Family

Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

May-June 2018

Our short furlough has already allowed us almost two months in the US. Time is passing quickly, but we are enjoying our time with family and visiting a few churches.

As we travel through the US, we see many changes. We see changes in priorities and goals. We see some fear and uncertainty also. It is amazing what you notice about the US after you are gone for some time. Yet, there are some good changes also and some are more on fire for God than we have ever seen before.

The Lord is in control of all things. In the midst of turmoil and uncertain days, God is still at work! Our God is a wonderful God who will be with us until the end of time. His Holy Spirit will abide in us until He comes to get us. Neither the trend of the day nor the tradition of the past will outlive character of our God and His unchanging Word.

We are excited about the new building in Vilhena and the opportunities it affords to reach more people. There is much more work to be done. In the southern half of our state (Rondônia) there are three or four more Bible preaching churches than there were in 2012 when we arrived. Yet, there are still families in other cities who desire to have fellowship in a church of believers in their own city. We need more laborers!

The church has sent good reports since our departure in the beginning of May. We are looking forward to being with them again in August. Please pray that those who are attending the services will place their trust in Jesus and those that are saved would be the Christians that the Lord desires them to be. Pray for us and for our co-workers as we seek to preach, teach, and live what the Bible says.

Over the past few weeks we have had a little van trouble, but what we thought might require a new engine, turned out to be a fairly simple task of replacing a part with a life-time warranty. The hand of the Lord has given us safety as we travel and we are very thankful for that.

Your prayers and support are much appreciated. May the Lord continue to bless you and guide you into His perfect will for your life.
